FAREWELL DINNER

On Thursday, 26 August, the evening will begin with a coach tour along the Tagus estuary towards the elegant seaside resorts of Estoril and Cascais. A banquet will be served in the Black and Silver Room of the famous Casino Estoril. This will be followed by the sweeping musical show “Fado – History of a People” designed by Filipe La Feria based on the Portuguese national song. A fantasy made to serve a “total entertainment” in the vanguard of technical resources that goes beyond the mere restoration of the roots of “Fado” to depict the soul of Portuguese people over centuries of history. Return to Lisbon by coach after the show.
